Liewe Ouers

2012 is 'n mylpaal vir musiekonderrig aan Hoërskool Monument. Ons vier hierdie jaar die 40 ste bestaansjaar van buite-kurrikulêre-, sowel as vakmusiekonderrig. Ek self was 40 jaar gelede bevoorreg om deel van die eerste matriekgroep aan die musiek-sentrum te wees en beskou dit as 'n groot eer om steeds verbonde te wees aan hierdie besondere skool.

2011 was a year filled with highlights for the Magnet School. External exam results exceeded all expectations: both theory and practical exams have an average of above 80%. A word of thanks to all learners, teachers and parents who worked hard to achieve this outcome.

Congratulations to our top performers of 2011: André Breet, Natascha Mertz, Anton Scholtz (seniors) and Karlin Kock, Anandie van den Berg, Brigitta Lee (juniors).

Ons beplan om in 2012 met 'n tegnologie-laboratorium te begin. Hier sal leerders musiekteorie – en gehoorvaardighede met behulp van rekenaarprogramme kan inoefen. Me. Elmarie de Beer is die trotse ontvanger van 'n nuwe klavier. Daar word beoog om voortaan elke jaar een van die afgeleefde klaviere te vervang. U sal

deurgaans op hoogte gehou word van opvoerings en konserte wat die jaar plaasvind en u bywoning en ondersteuning word waardeer.

Baie dankie vir die tydige betaling van u kind se musiekgeld. U versterk die onderwyser se hande en verseker u kind se vordering deur tuis 'n klimaat van gereelde musiekoefening te skep. Ons het groot waardering daarvoor.

Let us join hands in order to achieve even greater success than in the past. Together we can build towards another 40 years of quality music education at Monument High School.

Regards

Carina Ghyoot (DH/ HOD)

Accompanists spend large amounts of time to accompany learners for concerts and auditions unrelated to the Magnet School. In such cases, these teachers have to re-arrange their timetables and also get to venues by their own means.

From 2012, a standard fee of R150 per hour (travel time included), will be charged.

Fuel will be charged at R2.50 per km. This does not apply for events associated with activities of the Magnet School.

We trust that parents will co-operate in this matter and show their appreciation towards the accompanists.

PRET MET NOTE FUN WITH NOTES

'n Voorskoolse musiek-program word vanaf dié jaar by die Magneetskool aangebied deur Nelda Swanepoel.

'n Opwindende sillabus is spesiaal saamgestel vir kleuters vanaf 4 tot 6 jaar: Musiek en musiek-konsepte word ingespan om die kleuters te stimuleer sodat hul optimaal sal ontwikkel ter voorbereiding van die grootskool. Die program bied ook 'n stewige fondasie vir latere musiekonderrig.

Ons sing liedjies, speel musiekspelletjies, doen musiekbeluistering met kostuums en bybehore, leer ken die groot komponiste en bemeester basiese musikale konsepte speel. Die speel van nie-melodiese sowel as melodiese slag-

instrumente vind groot aanklank by die kleuters.

Spogklassies waartydens ouers kan insit, word twee maal per jaar aangebied,

Wanneer is die klasse?

Woensdagmiddae vanaf
14:00 tot 14:30.
